FIFTH GLOBAL HIGH-LEVEL MINISTERIAL CONFERENCE ON ANTIMICROBIAL RESISTANCE

ABUJA, FEDERAL REPUBLIC OF NIGERIA, 6-8 DECEMBER 2026

MEMBER STATE FEEDBACK FORM FOR THE DRAFT ABUJA COMPACT ON AMR

To ensure that the Abuja Compact on Antimicrobial Resistance (AMR) serves as an ambitious, actionable and broadly supported outcome document of the 5th Global High-Level Ministerial Conference on AMR, reflecting our shared goal of accelerating the global response to AMR, Member States and key stakeholders are invited to review the Draft Abuja Compact on Antimicrobial Resistance (AMR) and submit comments and proposed amendments.

Your submissions will inform revisions to the draft Abuja Compact ahead of the planned virtual consultations with Member States, scheduled for **Tuesday, 1 December 2026.**

To support a systematic process for collecting, reviewing and incorporating feedback, this online consultation form is structured to align with the sections of the draft Abuja Compact. Respondents are invited to provide comments, as appropriate, across six sections: Introduction; Accelerating IPC, WASH, Biosecurity and Community Engagement; Equitable Access to Quality-assured Antimicrobials, Diagnostics, Vaccines and Other Essential Health and Veterinary Products; Strengthening Governance, Accountability and Workforce Capacity; Sustainable Financing and Investment; and Commitments, as well as any overall observations on the document. Where possible, we encourage respondents to propose specific amendments or alternative text rather than general comments to facilitate efficient review, consolidation and incorporation of feedback.

Please complete this form and submit your feedback via the feedback submission portal by Monday, 30 November 2026. Alternatively, please email the completed form to info@amrconference2026.com by that date.

Confidentiality: All information provided during this consultation will be used solely for Conference-related purposes. Any personal information collected will be kept strictly confidential.
